EXAMINER'S COMMENT

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

It does not state that the person making the oath or declaration acknowledges the duty to disclose to the Office all information known to the person to be material to patentability as defined in 37 CFR 1.56.

The oath filed December 22, 2005 states "I acknowledge ... material to the examination ... 37 C.F.R. 1.56(a)" (emphasis added), and lacks the required phrasing --I acknowledge the duty to disclose information which is material to patentability of this application in accordance with Title 37, Code of Federal Regulations Section 1.56-- (emphasis added).

CONCLUSION
